*is great teaching a gift that only a few of us are born with or is it a skill that can be learned in never work harder than your students robyn jackson makes a radical assertion any teacher can become a master teacher by developing a master teacher mindset the master teacher mindset can be achieved by rigorously applying seven principles to your teaching until they become your automatic response*

to students in the classroom the more you practice these principles the more you begin to think like a master teacher the seven principles are 1 start where your students are 2 know where your students are going 3 expect to get your students to their goal 4 support your students along the way 5 use feedback to help you and your students get better 6 focus on quality rather than quantity 7 never work harder than your students using these seven principles jackson shows you how to become a master teacher no matter where you are in your practices each chapter provides a detailed explanation of one of the mastery principles the steps you need to take to apply them to your own practice and suggestions for how you can begin practicing the principle in your classroom right away jackson offers stories from her own teaching practice as well as from other teachers she has helped to show you how each principle works teaching is a hard job but using jackson's principles will help you and your students reap the rich rewards of that hard work book jacket

during the first half of the twentieth century zen buddhist leaders contributed actively to japanese imperialism giving rise to what has been termed imperial way zen kodo zen its foremost critic was priest professor and activist ichikawa hakugen 1902 1986 who spent the decades following japan's surrender almost single handedly chronicling zen's support of japan's imperialist regime and pressing the issue of buddhist war responsibility ichikawa focused his critique on the zen approach to religious liberation the political ramifications of buddhist metaphysical constructs the traditional collaboration between buddhism and governments in east asia the philosophical system of nishida kitaro 1876 1945 and the vestiges of state shinto in postwar japan despite the importance of ichikawa's writings this volume is the first by any scholar to outline his critique in addition to detailing the actions and ideology of imperial way zen and ichikawa's ripostes to them christopher ives offers his own reflections on buddhist ethics in light of the phenomenon he devotes chapters to outlining buddhist nationalism from the 1868 meiji restoration to 1945 and summarizing ichikawa's arguments about the causes of imperial way zen after assessing brian victoria's claim that imperial way zen was caused by the traditional connection between zen and the samurai ives presents his own argument that imperial way zen can best be understood as a modern instance of buddhism's traditional role as protector of the realm turning to postwar japan ives examines the extent to which zen leaders have reflected on their wartime political stances and started to construct a critical zen social ethic finally he considers the resources zen might offer its contemporary leaders as they pursue what they themselves have identified as a pressing task ensuring that henceforth zen will avoid becoming embroiled in international adventurism and instead dedicate itself to the promotion of peace and human rights lucid and balanced in its methodology and well grounded in textual analysis imperial way zen will attract scholars students and others interested in buddhist ethics zen practice and the cooptation of religion in the service of violence and imperialism
